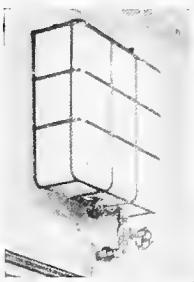
INCLUDE IN YOUR PLANS



provision for the installation of this important, modernizing factor in the up-to-date washroom.

Pure, clean Liquid Soap dispensed from one central supply tank to any number of taps, placed over individual wash basins. Provision for proper regulation of flow. Simple in construction and operation, requiring a minimum of labor and attention.

No complicated parts to get out of order.

Where concealed piping is impossible a thoroughly attractive installation is assured by exposed nickel plated piping throughout.

Cyclone Safeguard Chain Link Fence installed for Edgewater Beach Hotel, Chicago. Marshall and Fox, Architects.

Cyclone Fence

Your requirements for an attractive and enduring enclosure for property of any kind will be served most satisfactorily by your selection of an appropriate pattern of Cyclone Fence. Cyclone Fence is unobtrusive; adds charm to grounds enclosed and harmonizes with its surroundings.
Built in any height in a wide variety of exclusive and handsome patterns, in wire or iron.

Cyclone service includes all facilities for erecting fence complete. Or, if preferred, expert Construction Superintendent will be furnished at nominal charge to supervise erection of fence anywhere.

Illustrated catalog, blue prints showing details of Cyclone Fence construction, bulletins, etc., — all standard size to fit your files — will be sent you gladly on request.

Estimates and Advisory service rendered without obligotion
